Dear Owen,

It's been a long time
since O'Keefe and
we've both done
quite a bit. But
may we always
stay as good friends
as we are now.

THEME

A community, as defined by Noah Webster, is a body of people having common organization or interests. In every day language, it is our work, our interests, our friends and our homes. Because we live in a machine age, we can speak of a community as a machine, a machine in which each person is a cog. Only when there is full co-operation can the gears mesh to operate the machine efficiently. This community co-operation is the basis for the democratic ideals which we so cherish.

Our school is our community. We are the cogs which determine how smoothly it will run. Our community is our school. It supplies the lubricants of knowledge and recreation that keep the machine in good working condition. We have chosen this relationship of school to community, and community to school, as the theme for the 1950 Aitchpe.

We have tried to show our theme through drawings, photographs and copy. The section cartoons exaggeratedly depict the actions of a typical student in our school community. The maps on the inside cover show the activities offered in our district, as well as the grade schools. In our dedication, too, we are carrying out the community theme, for we have chosen the Parent-Teachers Association.

A BOUQUET TO THE P. T. A.

In our community there are many organizations that work for us during our years of "growing pains". Without their cooperation and understanding we would never develop into good citizens, well adjusted to our environments and companions. Representative of all these groups is the Parent-Teacher Association which is the most closely connected with our school. Many famous people when questioned about the causes of their success recall that a loving, ambitious parent or a wise teacher pointed them towards their goal. When we become adults we shall proudly remember their help and guidance during our high school years. To show our appreciation we dedicate the 1950 edition of the Aitchpe to the Parent-Teacher Association of Hyde Park High School.

KING

Larry Dawson

Who's the boy we all admire,
With many talents we'd like to acquire?
Humorous, good-natured, a wonderful guy,
Our monarch is a member of Omega Hi-Y.
He was president of Euclidean,
And the Orchestra too;
His accomplishments number quite a few.
A clarinet he can command,
He sang in A Cappella; was a member of
the band.
Add vice-president of the class in his 3A year,
English Honor, four-year Sigma
To his high school career.
4A Treasurer he was elected;
By teachers and classmates he's most respected.

Who deserves the praise we sing
And is honored to be our Aitchpe King?
Larry Dawson is the name,
We hope he earns success and fame.

QUEEN

Phyllis Goldman

Who has charm and personality,
Is very friendly and full of vitality?

She's got dark brown eyes; a big warm smile
Stands five feet two, with plenty of style.
Her time is occupied in many ways,
Sigma and Senior Girls take part of her days.
As a hobby Creative Writing was her choice,
And in A Cappella you'll hear her voice.
In Biology Honor she observed nature's beauty;
Representative at the Principals' Conference
Was her pleasant duty.
Of our Student Council she was a member,
And she's Illinois bound come September.
Who, of all the girls we've seen
Is fit to be our Aitchpe Queen?
Phyllis is the only one,
We wish her luck, success, and fun.

FACULTY

EDUCATIONAL ADMINISTRATION

Hyde Park High School is not only an institution of learning but also a vast community. Like any other community, it has its head official, ours being our principal, Mr. George Olson. His headquarters are the North Office from which he sees that everything runs smoothly throughout the school. The secondary headquarters are the South Offices where our assistant principal, Mr. Ralph Small, carries on his own duties and helps lighten the load of the principal. Here also all the school records are kept accurate and up to date by a very efficient staff of clerks. Our grade advisors act as "servants of the people" who help the students in any problems concerning classes, programs, sequences, attendance, and any other way in which they can.

The students are offered a large number of subjects which will aid them in a future occupation or as prerequisites for college. Everyone must take English which consists not only of grammar, but also of literature, poetry, and other interesting topics. Our science department is quite extensive since biological and physical sciences are offered. Our mathematics course is one of the only four year courses offered in the Chicago high schools. Four languages are offered—Spanish, French, Latin, and German, which give a knowledge of the customs and history of people in other lands in addition to the language itself. There is quite a variety of social and commercial subjects at Hyde Park which include typing, short-hand, commercial law, civics and several histories. Although art and music are required, everyone finds them interesting and the advanced classes give the students a chance to develop.

Mr. George A. Olson

Principal

"Papa George" is an affectionate sobriquet for our principal, Mr. George A. Olson. He has earned it, not because of his twin daughters, but for his benevolent, understanding attitude towards Hyde Park students and their problems. Mr. Olson, a native Chicagoan, has had long years of training and experience in educational work. At Hyde Park he has handled the administration effectively, and made many improvements.

These money-mad girls!

Mr. Ralph L. Small

Assistant Principal

Our assistant principal is Mr. Ralph L. Small, a very important link in the chain of our faculty. He takes care of the many minor details which occur every day, and makes sure that everything runs smoothly. In addition to all this, he is Mr. Olson's right hand man, and "stand-in" whenever it is necessary. Aside from his duties in an official capacity, Mr. Small is a friend and advisor to the students.

Words of wisdom.

A sad plight is the person who has a program on the first through tenth, acquired by way of two penalties, at the beginning and end of the day. Naturally, the student would feel this was unfair, but whom could he see about it? The obvious person would be his grade adviser. This counselor helps straighten out many of his academic affairs, "teacher difficulties" and grade problems.

The backfield is the most important part of a football team. Mr. Fisher, Miss Whelan and Miss Buckley, are the backfield of Hyde Park's faculty. Directed by the quarterback, Mr. Olson, who "calls the signals", it is their job to interpret them and carry out the "plays." Each of these important players has certain responsibilities and duties. They cooperate to form a well-coordinated team.

CLASH

CLASSES

Four years full of studies, activities and good times have now passed in what seems to be no time at all. As we stand in Loomis Hall, so familiar to us, waiting for the graduation ceremonies to begin, we close our eyes and a parade of all our happy high school days flashes before us.

That Freshman year when we were lost in those long corridors trying to find room 151 on the fourth floor! How bewildered we were at the many things going on about us, and somewhat discouraged at being left out of them.

In our Sophomore year we really began to get into things and looked forward to being upperclassmen. We tauntingly called our successors "freshie" with the remembrance of having this name hurled at us still fresh in our minds.

Upon becoming Juniors we suddenly found ourselves in the middle of many activities besides trying to bring up our marks. Our division teachers kept saying, "What are you going to take next semester?", "You have to have an activity slip!", and "No, you can't have first through sixth."

At last the Senior year arrived with all its glory. Remember Freshie Frolic and the "simply divine" Senior Prom. Yes, it really fulfilled all our dreams and expectations, but all too soon it was over and now all we have left is memories of four wonderful years.

ASINATES

ACTIVITIES

An extensive activity record is an asset not only in high school, but also as a college or employment recommendation. While benefitting from the particular activity in which a student is participating, he is also preparing for the future.

High school is a great deal more than just going to classes and studying. To help balance school life, there are many extra-curricular activities which are really fascinating and lots of fun. All the activities are sponsored by members of the faculty who give the students recreation and at the same time teach them something.

Some students, excelling in definite subjects, join honor clubs such as Sigma Epsilon, Pythagoreans, Euclideans, Music Honor, English Honor, and Biology Honor.

For those students who especially like music there are: A Cappella, Girl's chorus, Junior and Senior Band, and the Orchestras. Other special interest clubs include Blue Mask, Senior Girls, G.A.A., Life Saving, and the Camera Club.

To stimulate interest in government, there are the Student and Executive Councils which are composed of the class officers and delegates from each division.

There are many activities for those students who wish to give service to the school such as the Lost and Found, the Stage Force, Office Assistants, Library Aides, Cheerleaders, and Senior Sponsors.

Hyde Park also has two very fine publications—the Hydeparker and the Aitchpe which are produced by hard-working and talented staffs.

SIGMA EPSILON

First Semester—September:
Row 2: S. Moss, Sec'y.; H. Wolinetz, Treas.; N. Gold, V.P.
Row 1: M. Rosenberg, Pres.; Miss Kurrie.

Second Semester—February:
Row 2: S. Troxel; J. Labes.
Row 1: R. Golten; N. Pactor.

Hyde Park's honor society for outstanding students, Sigma Epsilon, meets once every month alternating its business meetings with parties. Its purpose is to encourage good scholarship, enable students to become better acquainted with each other, and promote a friendly feeling between teachers and students. Miss Kurrie is

now in charge of the activity originally formed by Miss Agnes E. Stuart in 1919. Entrance into the elite club requires a twelve point average in major subjects without F's or D's, and for students taking three majors, nine points is required, minus F's and D's; in both cases, one must have a G or above in minors.

PYTHAGOREANS

Room 248 every morning is the setting for the Senior Math Honor students, known as Pythagoreans, directed by Mrs. Eva Schull. Each year the outstanding students enter in the Wilson Junior Mathematics Contest. Last semester they maintained Hyde Park's famous standing.

EUCLIDEANS

Junior Math Honor, or Euclidean, is composed of 3B or 3A students who have had an E average or better in their first two years of math. This group, coached by Miss Von Horn first period daily, is in training for Senior Math Honor, or Pythagoreans.

Row 1—H. Fish; E. Scher; S. Troxel-Sec'y.; Mrs. Lee; R. Anderson-Pres.; P. Wyrick; S. Goldblatt;

BIOLOGY HONOR

Are you interested in any phase of Zoology or Botany? Do you eagerly scan the paper for glimpses of articles concerning science? If so, you will be a welcome member of Biology Honor, under the supervision of Mrs. Hawkes during the fall semester, and Miss Peebles in the spring. The scientific-minded members of this club take part in such interesting activities as field trips, movies, and lectures followed by lively discussions or excellent reports prepared by fellow members. No matter what the subject is the members always have a good time studying it.

MUSIC HONOR

When an aspiring young singer first enters Hyde Park, where does he longingly cast his eyes? Where does he spend his ninth periods after passing a vocal test from Mrs. Lee? It could be none other than Room 220, where Music Honor meets daily to enjoy and to learn music.

The results of this musical training are witnessed by Hyde Park audiences at assemblies throughout the year. The selections are chosen to be especially appealing to high school audiences. They are most often semi-classical, with an occasional classical number.

Row 1—J. Bromberg; K. Karakaourtis; P. Levin; A. Eiseman; S. Rubin; P. Swineford.

CREATIVE WRITING

If you enjoy writing for your own personal satisfaction and would even be willing to give up your sleep to come to school 1st period, Creative Writing is the place for you. The members of this club have published their own paper, and have won recognition in many contests. They write anything and everything, essays, poetry, short stories, and expository themes. In this way they develop their talents, and obtain the criticism of their contemporaries which is very beneficial to all. Besides the literary stimulation offered by the club, all the members have an enjoyable time.

ENGLISH TUTORS

Someday, if your English teacher is absent, you may see one of your buddies sitting at the head of a class, informing you of Shakespeare's Macbeth or the king's English. Besides teaching for the faculty, Miss Paine's tutors instruct students who are deficient in English.

If you are exceedingly bright when it comes to correct usage of your mother tongue, you may wonder what the requirements are to tutor; only one thing is necessary: an E average in English for three years. Just ask Miss Paine if you are eligible, and who knows, someday you may be an English teacher!

Row 1—D. Myers; S. Yoder; M. Montague, Veep.; Miss Paine; D. Zeitz, Pres.; I. Nudelman, Treas.; J. Schmare.

The English Players, ably directed by Miss Mary Paine, consist of a group of students interested in the field of dramatics. Among their activities are production of plays and designing of scenery. Equally important is the learning of diction and costuming. The future Broadway stars also condense plays to a length suitable for presentation at Hyde Park. Although they get a lot of enjoyment from working on the plays, their real reward is the satisfaction of having an interested and appreciative audience. A favorite this year was "A Christmas Carol" by Charles Dickens. The Characters of Scrooge and Tiny Tim came to life once again for Hyde Park.

STUDENT GOVERNMENT

EXECUTIVE COUNCIL:

Row 3—R. Chegvidden; R. Friedman; T. Hatter; D. Weiner; J. Labes; S. Kunin; J. Shorr; M. Rosenberg; M. Lippe; S. Wolfmark; J. Michaels; P. Hersh.

Row 1—M. Flood; A. Macapia; C. Seligman; S. Glasser; B. Auerbach; A. McCorkle.

Most of us know too little about the students' part in governing Hyde Park. There is you know a Student Council which consists of activity and division delegates and class officers. These act as the body over which the 4A president presides. Motions for improvements are taken from the floor, discussed, voted upon and then brought up before the Board, an organization composed of all class officers. This Board has the privilege of vetoing a bill passed by the Council or ap-

proving it and then putting the idea into effect.

This year, there is one united body instead of individual class councils, established for the purpose of providing efficiency. Their job for the past semester was to revise and add to our original charter. Our Student Government is interested in all things which are beneficial to the school and the student, scholastically and socially.

Row 1—J. Taylor; S. Glass; N. Youssef; Miss Whelan; K. Wise; B. Shapiro; S. Davis.

One of the busiest places at Hyde Park is the Good Citizenship Office. It handles all the red tape connected with early dismissals, truancy, and tardiness. Miss Veronica Whelan is the chief executive, assisted by competent students. This staff passes out pretty pink and yellow tardy slips, and blue ones if you're lucky. Another service is compiling and delivering a daily absence list to every teacher. During the semester Miss Whelan gives a gala party for her hard-working assistants, who really do a terrific job.

Have you ever entered our beautiful Gonnelly Library and noticed how wonderfully neat it is kept? The credit for this work goes to the library aides, who can be seen busily working at many jobs around the room. These volunteer workers do the routine work of the library, which includes the typing of records, the issuing out of books, and the checking of attendance. Being a library aide gives one experience in service, accuracy and dependability.

Row 1—J. Hailand; A. Abrams; G. Stein; Miss Sweeney; S. Waring; Z. Kogan.

"Good afternoon, may I help You?" says the smiling young girl behind the counter in the South Office. Yes, she is one of the efficient members of the South Office staff. To her the most familiar words are "Will you file this?" "Look up this girl's program", and "Please get this boy immediately."

"Do you have an appointment to see Mr. Olson?" These are the words of the North Office receptionist as you ask to see the principal. It is easy to see that all the members of these staffs must be on their toes all the time.

Let's give a big rick-tick—not for the team this time, but for the boys and girls behind it, our inspiring cheerleaders and baton-twirlers. They're the ones who put the pep and spirit into the games and arouse the spectators into frenzied excitement. Spurring the athletes on when the competition is keen and raising their spirits, these energetic students really are an essential part of every game. Besides the fun of cheering and twirling they practice as hard as athletes.

"One, two, three, four; three, two, one, four," shout a group of Hyde-parkers leading the rest of our sports-minded students in their cheers. Who are these healthy robust individuals? Why members of the Pep Club, of course, under the instruction of Mrs. Alice Daniels. Remember boys are just as welcome as girls.

STAGE FORCE

Stage Force, Left to Right:
Lenard Fish, Harvey Glasser, Charles Conrad, Frank McCune, Fred Rothchild, Roland Midansky, Alan Kaplan, Gene Izune, Dick Anosov (Mgr.)

"Tote that barge, lift that bale." This phrase slightly adjusted should be the theme song for Stage Force, an organization under the supervision of Mr. Ausby Hendy. The boys in blue are always ready for action and at least one member of the force is on duty each period of the day. Their work consists of all manual labor in Loomis Hall and elsewhere in the school. If you need chairs, Public Address systems, wire-records or phonographs, just contact a member

of the Stage Force and your slightest wish is their command.

The boys' work is extremely hard but their jobs are always done with a smile and their great sense of humor is obvious. This is evident when you hear the boys call sections of Loomis Hall by "pet" nicknames. For example, under our large stage is storage space for chairs. This space is called "Lower Slobbovia" while the spot-light booth is referred to as "Hades."

To the Rescue.

P.T.A.

"Is your mother going to the P.T.A. meeting this afternoon too?"

"Of course, she wouldn't miss it."

These are familiar words to many students whose parents are active in this fine organization. The P.T.A. was formed to promote better relationships between the school and the home and it really has accomplished this in many ways. By attending meetings parents are able to meet the faculty and discuss problems with them which help student-teacher relations. The members serve as hostesses at teas and parties and sponsor drives for school funds. The P.T.A., however, can do even more if the membership is larger. Urge your parents to join next semester.

Varsity Mothers

You might wonder what athletes' mothers think of their sons' activities; well, the mothers of our Hyde Park athletes can certainly be considered as inspirational assets: the annual Globe-Trotter game is a product of their work; every year Mr. Hasan, HP's Athletic Director, manages the Hyde Park Memorial Tournament, also sponsored by the Varsity Mothers. In addition to athletic programs, the ladies give occasional parties, the most noted of which is the annual Father and Son's Day Banquet. A vote of thanks to the mothers of Hyde Park's athletes, who have inspired the latter in obtaining mightier goals.

Do you find it hard preparing for college? Would you like to feel more independent of your parents? These problems and many more can be easily conquered if talked about and discussed in the right way. Every day ninth period Mrs. Gronert conducts a class of students with just such problems. Although started but two years ago, this club has gained recognition, and made such tremendous strides toward advancement and improvement of our youth, that it is now considered by pupils as one of the outstanding activities on the high school's list. A lot of credit is due Mrs. Gronert, the founder, who developed the programs with the idea of helping our "teens".

BLUE MASK

"Juliet! Juliet!" "Wherefore art thou, O Romeo," cried a voice from a superficial stage set in Loomis Hall. No, no, it's this way," pleaded Miss Hardy, trying to show them the correct way to enunciate; "and not only that, the inflection in your voice isn't correct, your posture is poor, etc." This is a typical view of the Blue Mask Club, trying to do Shakespeare. Their choice of drama may range all the way from the mid-Victorian stage to present plays. Many details, which may seem mere trivialities to you, are of the utmost importance to Miss Hardy and her actors. Whether it be Shakespeare, Sheirdan, or Galsworthy, Blue Mask is always in there, giving their best.

Click. "I got it! What a shot!" No, it is not Deadeye Dick, but a fanatic in a different form. This type packs a camera instead of a rod, and is a member of the Camera Club. He and his fellow camera-bugs develop their pictures ninth period every other Thursday, directed by Miss Kuehn. He is found in contests (as winner, of course), darkrooms, film supply stores and photographic displays all over the vicinity. Keep an eye out for him. He will snap you when you least suspect it, but of course you know you love it! Hyde Park has a right to be proud of its super-sonic shutter-snappers.

CONSERVATION CLUB

"Will our coal supply be completely exhausted within ten thousand years?" "Will Chicago ever have to ration water or have bathless days as New York does?" "Will there come a time when rabbits are extinct?" "Will we ever have a shortage instead of a surplus of potatoes?" These are just a few of the many problems discussed by the members of the conservation club. These students really have an enjoyable time, under the direction of Mrs. Hawkes, reviewing these topics through movies, lectures, and discussions. They also go on field trips and visit museums in order to get a better understanding of their subjects. If you would like to become a conservationist, join the Conservation Club.

A CAPPELLA

Is it Fred Waring and his glee club? Is it Gordon Jenkins and his famous choir? No, it's Hyde Park's A Cappella, under Mrs. Lee's capable direction, whose beautiful voices can be heard at many events and assemblies throughout the year. This class is one of the most popular in the school, being crammed with eighty students, who comprise two classes. Among the most envied students at school are those who proudly say, "Yes, I'm a member of A Cappella."

CHOIR

This group sings at assemblies, graduations, and special programs such as the Spring Music Festival. They also provide background Music for English Honor productions. Entrance requirements are: to pass a vocal test from Mrs. Lee and to have a pre-requisite of Music 1. When you see a Hyde Park audience turning in their seats in Locmis Hall, craning their necks to the back of the auditorium, and at the same time listening attentively, you will know that A Cappella is about to sing!

The person seen going down the hall humming Grieg's "Concerto" or Liszt's "Second Hungarian Rhapsody" could very well be a member of Hyde Park's famed orchestra. Fired by the enthusiasm of Miss Finley's dramatic leadership, these eager students of the art meet first period every day to execute their repertoire and practice new pieces. May they be as successful in the future as they have been in the past. And they have been successful! That can be judged by their fine performances at our assemblies, and by their work in outside contests and competition. The orchestra has a great many numbers ranging from classical to popular which make their arrangements interesting and variable. We'll be hearing from them in our programs from time to time, especially at Spring Music Festival time.

Since Mr. Dubyk's arrival in 1948, the Hyde Park Band has been greatly improved by his enthusiasm and the addition of forty odd pieces. Our band has excelled at the assemblies in the past year. Due to the many hours of work and the able leadership of Mr. Dubyk many of our band members are just at the threshold of fame and fortune. Consequently, it is easy to see why soloists from our band rated so high in the Annual High School Solo Competition. Those who rated S were: Dick Cohen, Clarinet; Jerry Olson, drum. Those rating an E were: Roger King, coronet; Bill Balcom, tuba; and John Dragstadt, clarinet. Larry Kruss, coronet; Mike Meyers, oboe; and Judson Laff, Tenor saxophone. Hyde Park congratulates its winners and wishes Mr. Dubyk and the band success in the future.

"Oh, the flowers that bloom in the spring, tra la, la, la," is what beats against your eardrums if you pass Room 220, sixth period. These silvery tones issue from the golden-throats of the Girls' Chorus. Hyde Park's all female glee club performs at many of our assemblies, and at the annual Spring Music Festival. Miss Curtiss leads the girls in their "soaring flights of song." The only qualifications needed are: to be able to pass a vocal test, an interest in singing, and of course, to be a member of the female sex. Occasionally, Girls' and Male Chorus combine to prepare a program. The girls' voices are heard at Christmas time in a heart warming rendition of yuletide favorites. There is solo as well as group singing, both of which will aid in a future music career.

Who are the greatest, gayest bunch of girls at Hyde Park? The Senior Girls, of course. Sponsored by Mrs. Eva Shull and Miss Sadie Friedlander, membership is open to any girl in her senior year. This organization sponsors Freshie Frolic, Tag Day, and a Mother-Daughter Tea. To celebrate their "service with a smile" the girls give a gala party at the end of the semester. It is also their job to keep up the social standing of the social room.

Freshie Frolic is the main event of the Senior Girls' Calendar. Each semester a Freshie girl is elected queen amid the cheers of her friends and the gaiety of the program. There is entertainment and food galore, in fact it's hard to decide which is better! The Boys Gym, cloaked in its semi-annual garb of crepe paper, balloons, and bright colors is the scene for the festivity.

Three cheers for G.A.A. The Girls' Athletic Association is the activity for any vigorous, energetic Hyde Park female. Parties and sports, such as volleyball, ping-pong, basketball, and "making like monkeys" on the apparatus are just a few of their fun-filled antics. Gym service and scholarship are also important ideals of the organization. Its membership this year has increased to reach an all-time high. The girls are beginning to realize the athletic advantages offered by G.A.A., advantages which formerly were given only to Hyde Park males.

Calling all girls. How would you like to be the hit of the bathing beaches this year; the envy of all your non-swimming friends? Do you think you could save your best friend from drowning? Learning how to swim can be lots of fun, if you join the Life Saving and Swimming Club. Not only is it important to learn the fundamentals of

swimming, but it also aids in slimming those bulging lines. "Marshall's mermaids" as they are commonly known around school are capably directed by Miss Marshall who offers this bit of advice to all girls who would like to swim. "Come down to the pool, and try your luck and skill at the great sport of swimming."

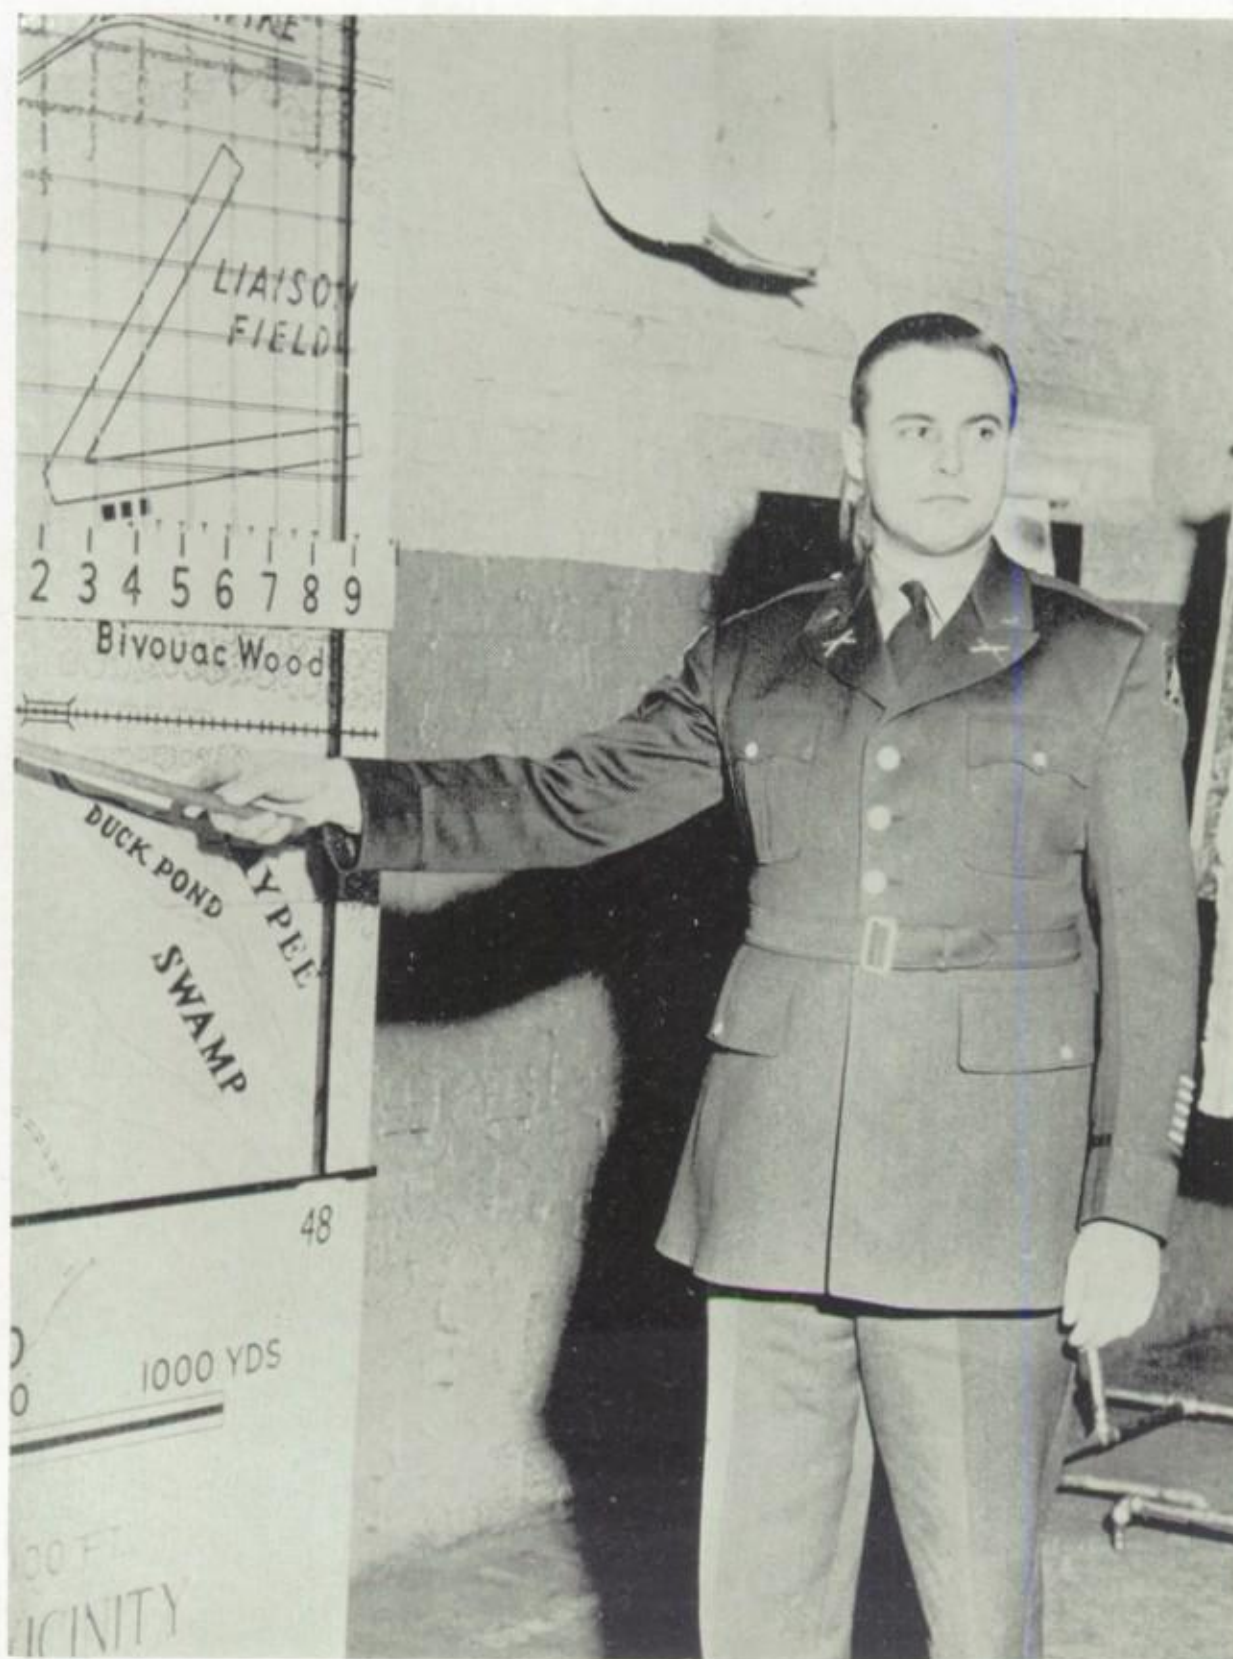

In a tight game.

Captain Aaron G. Prondzinski

(Instructor of Military Science and Tactics)

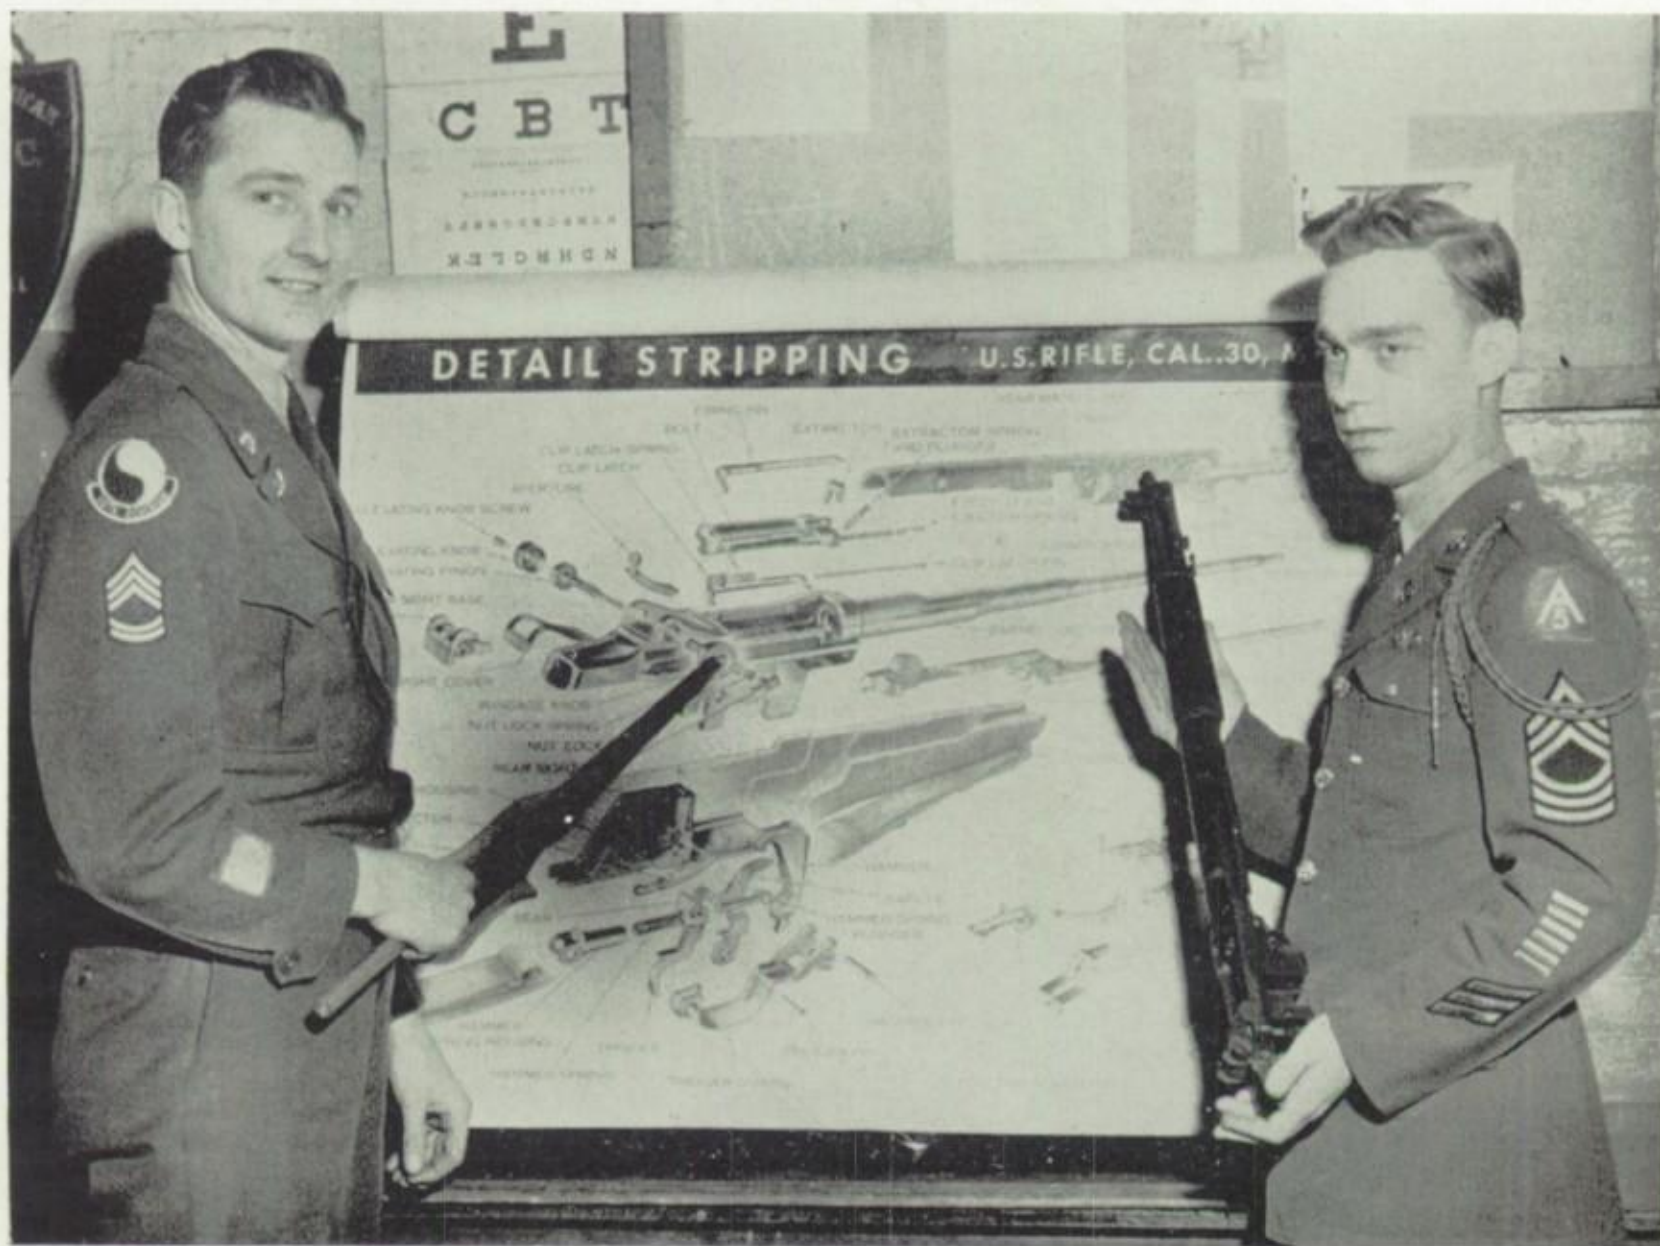

Every morning when you come to school, you see the American flag flying on the corner of Sixty-second and Stony Island; every evening before dusk the flag is lowered. There must be someone to attend to these daily duties: the task is given to the R.O.T.C. (Reserve Officer's Training Corps). Every assembly the Color

Guard marches down the long aisles of Loomis Hall to post and guard the colors.

Classes consist of many periods in which they study the cleaning and handling of rifles, weekly inspections, a study of army life, and many other details pertaining to a military career. Captain Prondzinski and his young men deserve credit for their meritorious work.

SS.

On the afternoon of Saturday, September 17, 1949, 83rd and Yates Stadium was renamed Eckersall Stadium in honor and in memory of Walter Eckersall, all time All-American. The dedication was highlighted with speeches by Tug Wilson, Athletic Commissioner of the Western Conference, Arch Ward, sports editor of the Chicago Tribune, and Mr. George Olson, Hyde Park Principal. The dedicatory address was delivered by Herold C. Hunt, superintendent of schools.

The stadium, located at 2423 E. 82nd Street was completed June 6, 1940, and, until named after Eckersall, was known simply as the 83rd and Yates Avenue Stadium. It encloses an area of 5½ acres, has a concrete grandstand seating 9,000, a 440 yard cinder track, six baseball diamonds, three tennis courts, and a volleyball court. During the football season it is used by public high school teams on Fridays and Saturdays and by Catholic high schools on Sundays.

While at Hyde Park, Walter Eckersall compiled a brilliant football career, leading the team to the Cook County championship in 1901 and the 1902 team to a National High School Championship, ending in a 105-0 victory over Brooklyn Polytechnical Institute, the Eastern champions. Off the gridiron Eckersall was also well known as a cinderman, doing the 100 yard dash in 9.8 seconds, a great baseball shortstop, and a speed skater.

After graduation Eckersall attended the University of Chicago and under the coaching of the famous Alonzo Stagg, was acclaimed three time All-American by Walter Camp. His feats include twice kicking five field goals in a game and starring in Chicago's 2-0 victory over a five year unbeaten Michigan eleven. He later became sports editor of the Chicago Tribune and remained in that position until his death in 1930.

An "Oscar" to the Boss

Coaches and Captains
H.P. vs Englewood

1949 SEASON

An unheralded Aitchpe Tribe surprised the experts this year by placing third in the Southern Conference of the Public League. Led by Captain Kirk, the Indians rode to four victories against one setback and one tie.

The highlight of the pre-season schedule was the dedication of the stadium at Eighty-third St. and Yates Avenue to the Hyde Park immortal, Walter Eckersall. To celebrate the dedication the Indians romped to a 13-0 victory over our traditional rivals, Englewood. The win stretched Hyde Park's edge over Englewood in the oldest high school rivalry in the city to 34 wins against 26 for the Purple and White. Six games have been deadlocked. In the other preseason tilt the Tribe was dropped by a spirited Kalamazoo team 31-7 at Kalamazoo.

The conference season opened with a sensational 13-7 win over a highly favored Chicago Vocational School eleven. Jim Elmes ran for one touchdown and passed for the other.

Seemingly stunned by the lights of their first

evening tilt, the Indians could eke out only a tie with lowly Morgan Park. The following Saturday Harper crumbled before the Aitchpe might, 40-0. Ray Lunn highlighted a fine pass defense.

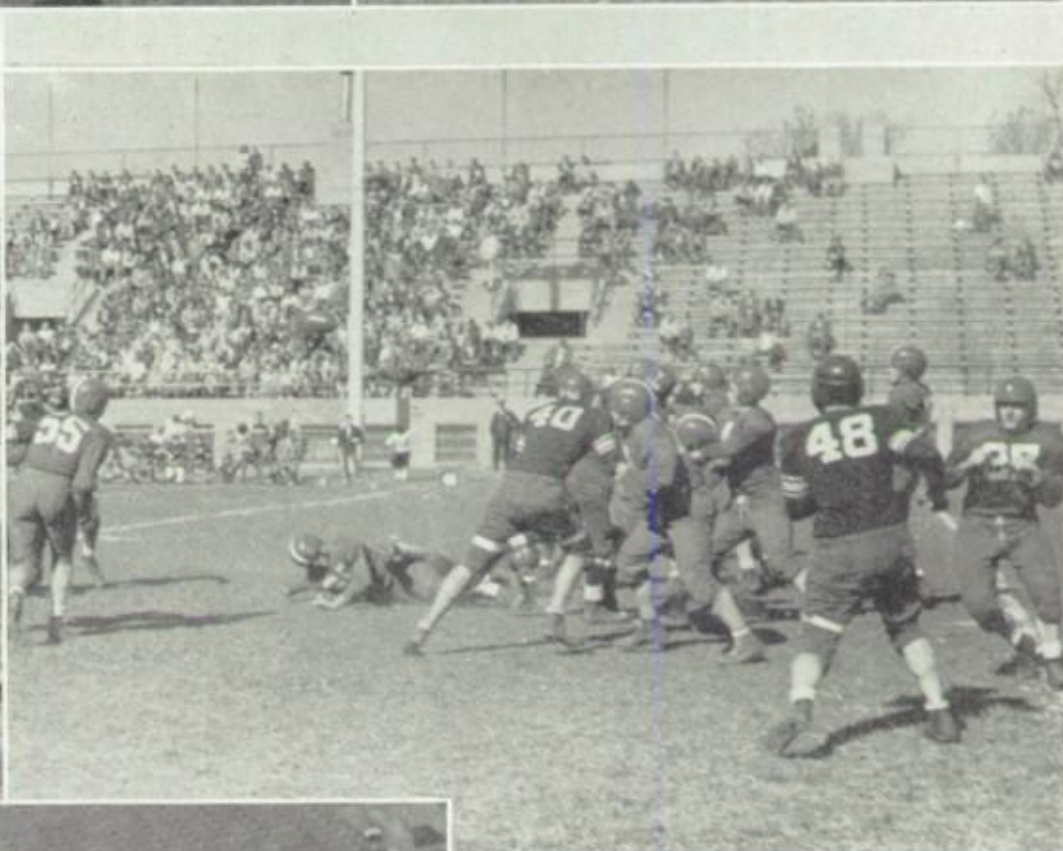

Then came the all important game with Hirsch.

A victory meant a play-off berth. At the half an inspired Tribe held the Huskies to a 6-6 tie, but in the second half the Hirsch power exploded to crush Hyde Park 31-6.

To finish the season the Indians chalked up two more victories—one over South Shore, 19-6, at which the new "Wagon Wheel" trophy was initiated; and the other over the Boilermakers of Bowen, 19-14. Two refugees from the track team, "Gibby" Hefter and "Mac" McClinton each scored a touchdown in both games.

At the annual football dinner given at the close of the season in honor of the team, Merle Hurowitz was chosen as the most valuable player of the 1949 season and Captain Don Kirk and George Morita were awarded the David Wiedemann trophy for outstanding line play. Bob Minskey, the only returning letterman was chosen captain of next year's squad.

Led by Captain "Easy Ed" Reichman, the junior cage squad placed third in the Southern Conference of the Public League with a season record of 8-3. The best game of the season was played against our traditional rival, South Shore, ending in a 75-60 tribe triumph. The tribe also came through with a surprise victory over previously undefeated Parker High, a favorite for the city league title, 42-39. The only losses came at the hands of Chicago Vocational School, far and away the class of the Public League and city champions, and Hirsch, a city quarter finalist. Despite these defeats the Indians advanced to the playoffs.

In the playoffs the squad battling from start to finish, lost a close battle to Foreman's fast breaking crew, 56-50, thus ending Hyde Park's hopes for a city title for another year.

Captain Reichman and Archie Tourlakes received all city recognition in the post season

coaches poll. Much credit must also be given to Ed Weiner, Nelson Brown, Harv Hartenstein, and Lou Weiss, the other starters.

Captained by "Slippery Seal" Gilberg, the 1950 Aitchpe Tribe of seniorbasketeers, forged a season's percentage of 300 for league clashes. The team as a whole did not fare too well but some stellar performances were turned in by our two forwards, Ralph Chambers and Henry Berry, the latter receiving honorable mention on the all-city team. The return of these two brighten the next year's outlook.

One of the season's better games was played against Chicago Vocational, this year's runner up to the public league champs. The Vocats, though boasting a great advantage in height, only downed the Indians by eighteen points. Another above average game was played against Calumet, a leading section contender in which the Tribe came within nine points of victory. South Shore, our traditional rival, also was given a battle, only registering an eight point triumph. Barry Gilberg sparked the Cagers by contributing

20 points. Other members of the squad who saw action were "Bones" Handler and Don Corey at the guards.

The mid-year graduation of such tribe stars as Charles McClinton and Don Ballin proved too much for the Senior cindermen, who failed to retain their city indoor track title. The Seniors placed eighth and scored but seven points.

After mid season graduation, the team was led by "Gibby" Hefter, who placed fourth in the low hurdles and anchored the third place Aitchpe relay team. Others who scored in the city meet were Sandy Givot, fifth place in the shot put, Jim Palmer, Jerry Mollner and Bill Jackson, who made up the remainder of the relay team.

The tribe began the dual meet season in a blaze of glory, scoring one sided victories over Mt. Carmel, Du Sable, and Tilden. Charles Mac-Clinton was the spark plug of these early season victories. In the first meet after mid-year our winning streak was snapped at thirty eight straight victories by a strong Dunbar contingent forty five and one half to forty and one half. The tribe went on to break even in its remaining four meets, registering victories over Du Sable and Englewood while losing to St. Ignatius and University High.

Losing only to Tilden Tech, the eventual city indoor track champions, the Tribe amassed an enviable dual meet record of seven victories in eight starts. With these seven victories under their belts, the men of Aitchpe proceeded to Stagg field to meet the cream of the city's junior cindermen. Upon their arrival on the scene for the city meet, however, all memories of their past accomplishments seemed to vanish from sight and they suffered the fate of other Aitchpe junior teams, gathering only four points and placing far down in the standings.

Leading the team to their seven dual meet victories were Al Engerman and Jerry Much, shot-putters, who placed third and fifth respectively in the city meet. They were the only squadmen to take places. Other dual meet standouts were Snow and Rutter, dash men, Stu Raffel, hurdler, and Glen Jones, distance man.

Though this season's results were not what was expected, the majority of these boys will be back to avenge their defeat next year.

The Aitchpe Tribe, perennial South Section tennis champions, will defend their title once again this season. The prospect is a bright one for the team has as its mainstay four returning lettermen: Captain Ted Goldman, Gene Oscherwitz, Kenny Benjamin, and Fred Mallace. With these "racketeers" leading the way, the Blue and White should again dominate the South Section's clay courts.

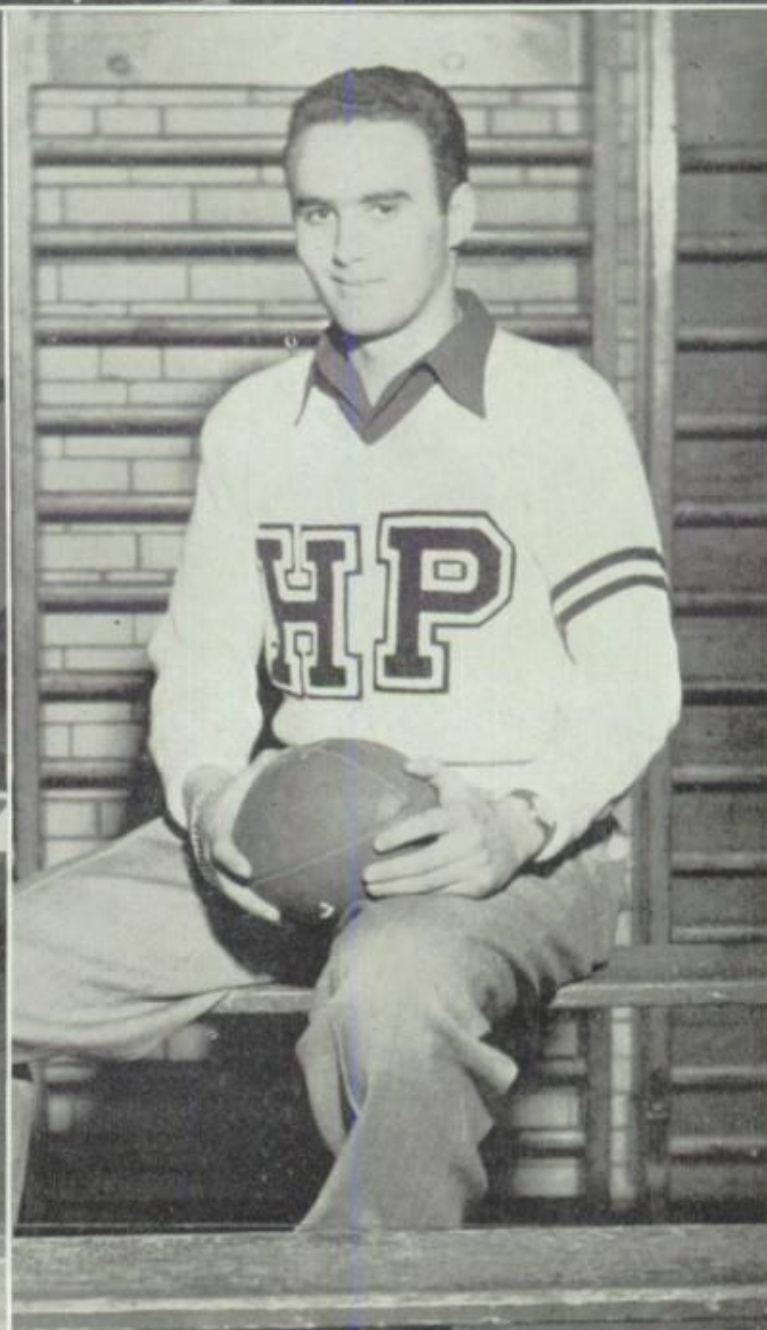

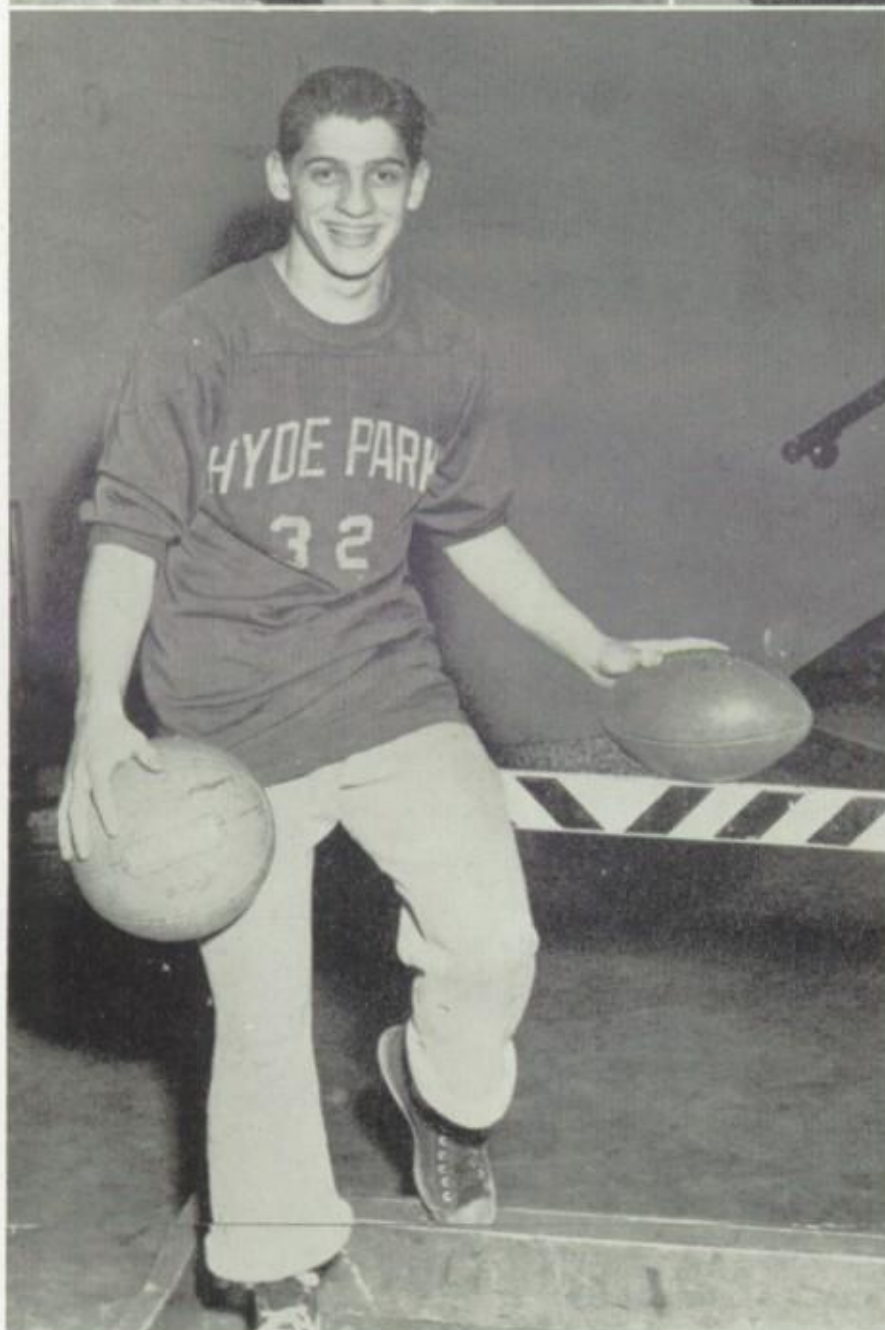

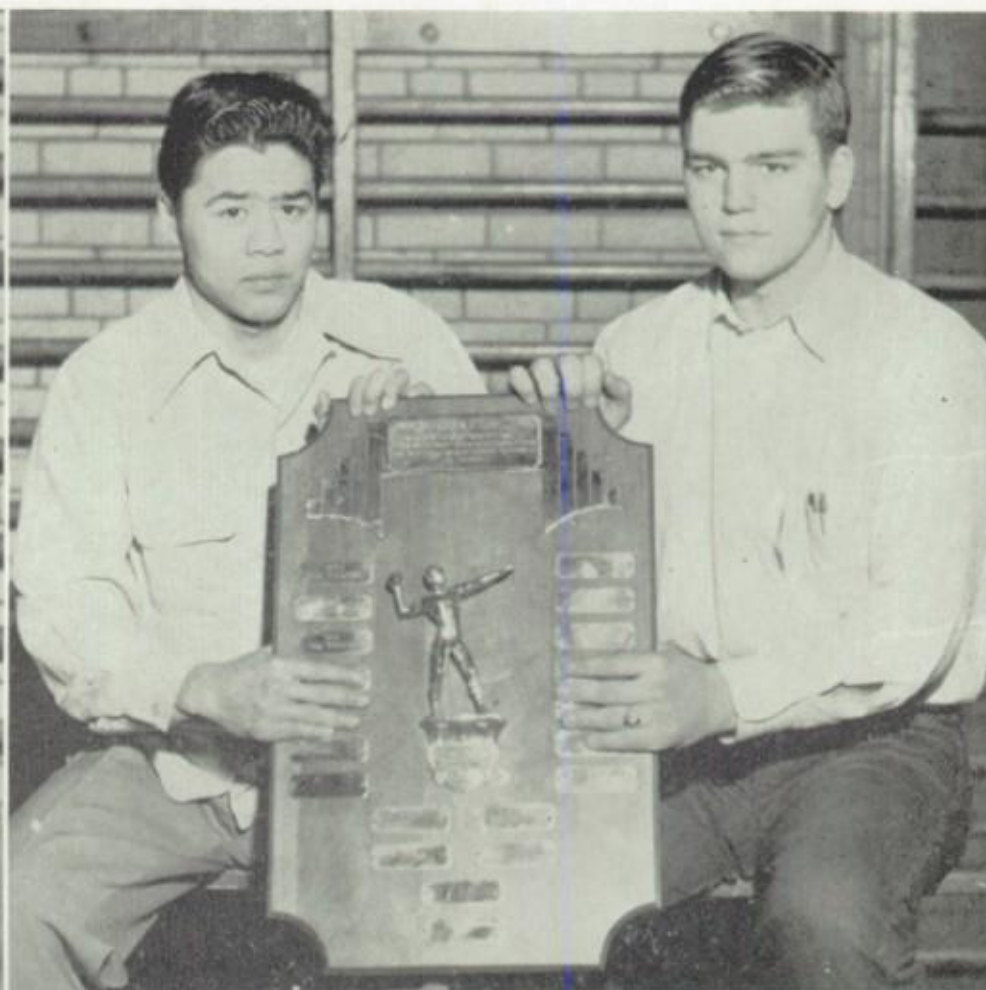

The Blue and White link men, led by Captain Albert "Bro" Cain will be burning up the greens once more this spring. Coach Bourgeois, the new golf tutor, has hopes of some sort of repeat this year for the team took 3rd in section in 1947, 1st in city in 1948, and 3rd in city competition last year. With some promising new material, the Tribe can look forward to another successful season.

BUSINESS ADMINISTRATION

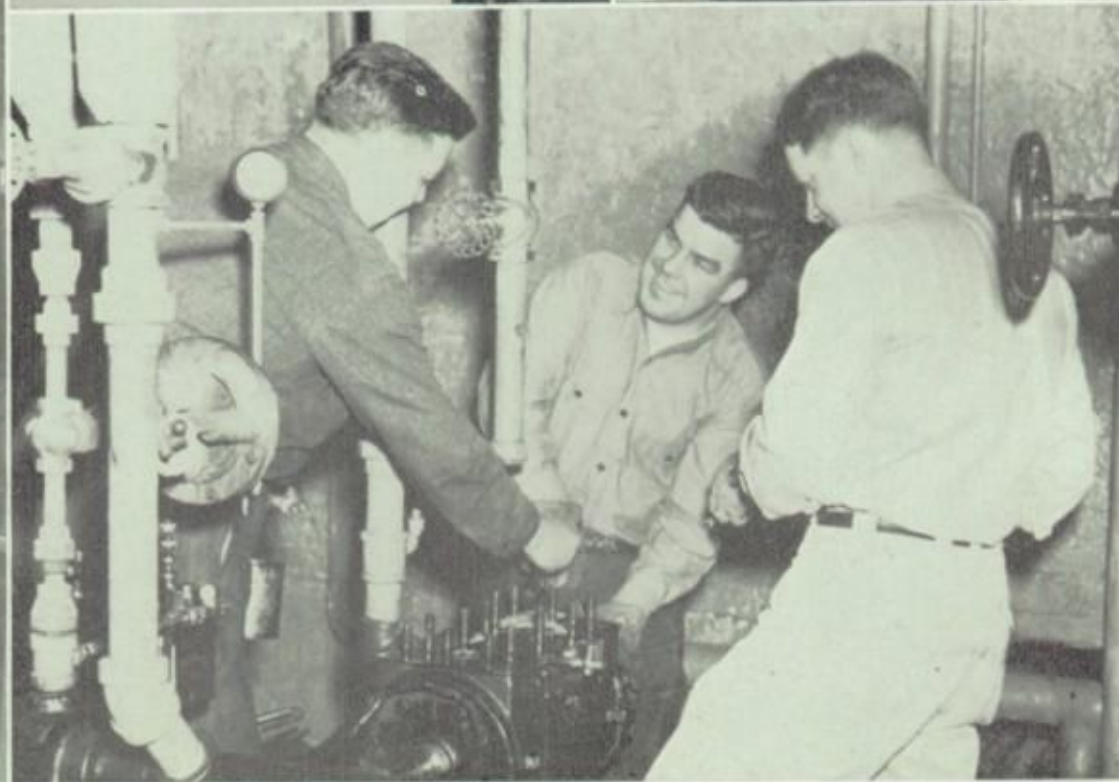

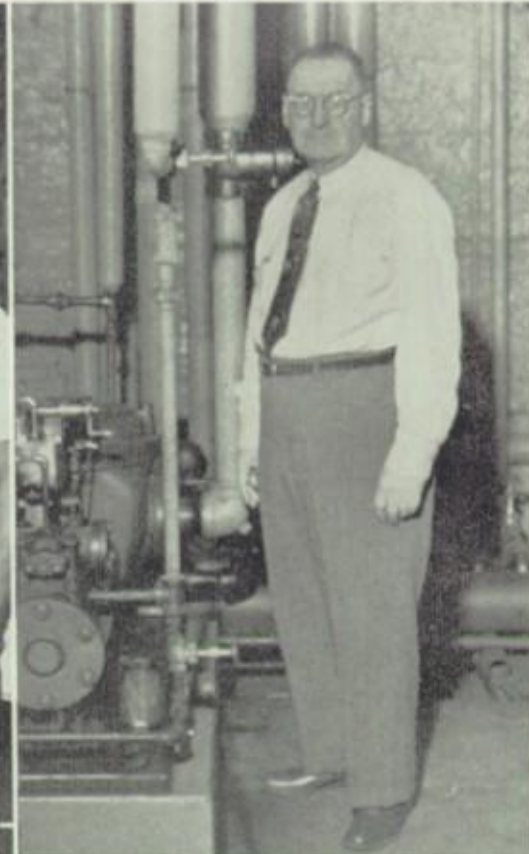

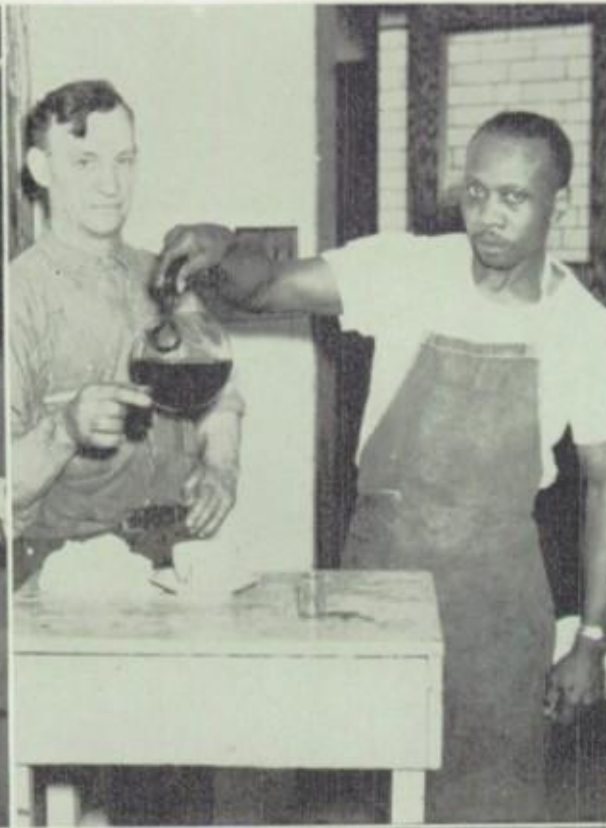

When, in February, 1950, the country was threatened by the coal strike, Mr. Charles Clarke and his assistants were distributing warmth to the rooms to the best of their ability. They have pulled us through similar crises in the past, one outstanding one being the danger with the boilers in 1947.

Besides carrying us through scrapes such as these, they have many numerous duties, to which they faithfully attend daily. Among these are: sweeping out rooms and corridors left messy by the careless students, seeing that the proper materials and supplies are kept in their respective places, and constantly giving aid where it is needed, in such places as the gymnasiums and Loomis Hall.

Another tough task around school is the lunchroom job. To this position Mrs. Madlyn Cassel is duly given the honor. Credit must be awarded to the P.T.A. mothers who volunteer their services to work during the lunch hours behind the counters. Instead of receiving pay for the work, these generous women give the money to the P.T.A., for school scholarships.

Hats off to Mr. Clarke and Mrs. Cassel, and their crews for their splendid work in seeing that the school is kept up in the way of cleanliness.

BEST PALS

Dear Owen;

I'm sorry to be leaving
now but I really want you
to come up & visit me. To
make sure you'll have no
excuse about writing my
address above. Best of the
best always to you -

Ronny

Dear Owen,
Good luck always!
wonder if I will miss the
if familiar "GRADUATES"
the way Miss Ytten can
only say it - Luck always,
M. J. Jare & Swanson

Kris

BEST PALS

Dear Owen,

Today you are graduating from high school, and I find it hard to believe that you are actually leaving. But I guess you are, and so there's nothing for me to do but to wish you the very best of luck in future years. I know you will always get along in the world if you will only stay as sweet and considerate as you are now. And I know you will.

Success always,
Love, Betty
